Annual dues cap to	\$482.45 (based on CPU)

Along with being a member the association makes available to those an RV dump station at a certain point within GVM.

WATER & SEWER ASSOCIATION: Fiscal Year runs October 1st thru September 30th, billed September 1st. Water & Sewer is a state mandated association to manage our water augmentation plan which allows the drilling of water wells in Glacier View. For the developer to subdivide this development into lots smaller than 35 acres, this augmentation plan was required. The association owns 76 shares in Mountain & Plains Irrigation Company. The cost of the maintenance of water reservoirs and ditches owned by Mountain & Plains is assessed to stockholders. These costs and the cost of reporting and management of the association are offset by dues. Also all well permits must go through GVM.

Annual Dues improved lots	\$234.00 / yr* 2022-2023
Annual Dues un-improved lots	\$117.00 / yr*
Water Haul / 500 gal	\$ 40.00 / per load
