PUBLIC INPUT:

A member asked the manager what the request process is for getting a no turn around sign. The GVM manager, stated that once a request is received he will evaluate the road and need for the sign.

It was noted that campers from the restaurant might be fishing from Riddle lake. Members suggested changing the wording of the signs at the lakes. Add: Private property. Change the wording from trash in receptacle to pack it out.

A member asked why Public Input before Old and New Business on the Agenda. Don Herman stated we are following Goldberg Rules of Order. Don stated that having public input allows the membership to give public input before a motion is made.

A member asked what the procedure is in having a personalized sign in front of one’s house. It was stated that each property is allowed one sign up to 3 square feet subject to ARC approval.

Approved 09/19/2018

It was stated that a real estate signs may be posted on the property that is for sale only. The signs should not be at the entrance gates or on private property.
