

GLACIER VIEW MEADOWS ASSOCIATION

GVM MEMBER-GUIDED YEARLY GUEST FISHING PASS AGREEMENT

1. Member Supervision Required

Guest use of a GVM Member-Guided Yearly Guest Fishing Pass is only permitted when the guest is accompanied by the GVM member (homeowner of record) who holds a current GVM fishing pass. If a guest is found fishing without the member present, the member agrees to immediately surrender the guest pass to GVM management or a Fishing Committee member. This is a zero-tolerance policy.

2. Catch and Release Only

These passes are catch and release only. Guests may not keep any fish under this pass. Only the GVM member may keep up to two fish per day under their personal fishing pass. If a guest wishes to keep fish, a daily guest pass must be purchased in advance from the GVM Office. The maximum of four fish per lot per day still applies.

3. Use and Availability

Member-Guided Yearly Guest Fishing Passes are not assigned to specific individuals and may only be used by one guest per outing. Members may purchase multiple guest passes or additional daily guest passes as needed.

4. Rules and Responsibilities

These guest passes are subject to all current GVM fishing rules, available at the GVM Administration Building, on the GVM website, and provided at the time of application. It is the responsibility of the GVM member to ensure their guests understand and follow all GVM rules.

5. Acknowledgment and Enforcement

- a. This agreement must be signed and returned by the GVM member purchasing the pass.
- b. This is a zero-tolerance policy. No warnings will be given. Any violation will result in immediate forfeiture of the guest pass.
